IMPACT REPORT

2025 YEAR IN REVIEW

- **Field Equipment** – New bicycles for Crowd Control, two DJI Enterprise M30 drones, enhanced lifesaving tools and training, night vision binoculars for SWAT and Bomb Squad.
- **Innovative Technology** – Additional Case Guard licenses for Records Management team, a Mystaire workstation for the Forensics unit, and Berla traffic analysis software for the Investigations unit.
- **K9 Unit** – Specialized handler training, extraordinary vet services and ongoing animal care.
- **Fallen Officer Remembrance** – National Police Unity Tour transportation and other costs to honor Officer Jordan Jackson.

In 2025, the Bellevue Police Foundation committed to **provide future grants totaling over \$187,000** to the Bellevue Police Department for modern equipment and specialized tools that will directly enhance public safety, officer safety, and operational efficiency.

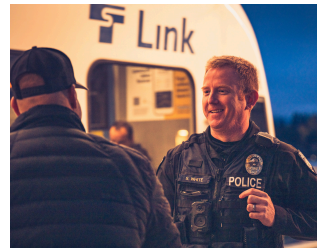

Together, these investments enhance officer safety, strengthen emergency response, and expand real-time awareness – ensuring Bellevue officers are better equipped to protect the community, save lives, and respond effectively in both everyday patrols and high-risk situations.

PROGRAMS

COMMUNITY OUTREACH

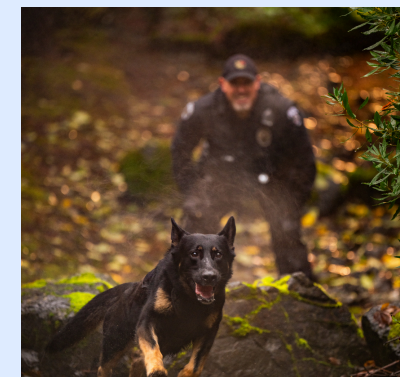

Thanks to you, BPF provided over \$25,000 in community outreach funds for events that connect the police with well over 1,000 people in the community. BPD Youth Camp, National Night Out, Halloween on the Hill, and Battle of the Badges build relationships with children, youth, adults, and families.

Through our Heroes and Helpers donors and partners, BPD creates a magical holiday shopping day with \$100 each for at-risk youth and their families.

K9 HIGHLIGHTS

Thank you to the many donors that supported this most important program in 2025.

- Over 30 donors came to the rescue when K9 Officer Kole's deadly liver infection resulted in \$8,600 in vet bills.
- Our talented K9 handler team will receive up to \$12,000 for specialized training.
- K9 Officers Kole, Wrex and Walt receive over \$8,000 annually for health supplements to keep them in the best athletic shape possible.
